Client Testimonials

“Where to start...2008 my friend referred Melissa to me regarding my custody fight. We started our journey sometime in May of 2008, as a single father trying to gain custody of my 2 daughters I knew I would need a good lawyer. Boy was I surprised, I had been introduced to the best most dedicated honest straight shooting tell how it is attorney. Melissa not only win my case but has continued to assist in my ongoing issues with the mother. Melissa is very caring and dedicated. Melissa wide array of experience in family law place head and shoulders above the rest. I would rate not only Melissa but the entire Johnson Duffy firm a perfect 10! My family and I will forever be indebted to Melissa for her passion and dedication in my case. Thank you Melissa from the bottom of my heart!

Melissa Greevy represented me for multiple child custody hearings. Lets face it Divorce is a less than ideal thing to go through. Add in figuring out child custody and its just down right miserable. As a father it was very important to me to to share physical and legal custody of my child. As a man I thought this was going to be a challenging battle, because I bought into a common misconception that fathers were not treated as equals to mothers in custody court. The court process was lengthy and complicated I do admit, but not overwhelming with excellent advice and legal counsel from Melissa. I would recommend Melissa and Johnson Duffie to anyone looking for excellent legal representation during a challenging time. Their legal expertise and guidance will certainly give you peace of mind, and excellent legal representation.
